Dear Valued Client

Re: Upgrade of Sharp Point Mobile Trading Application

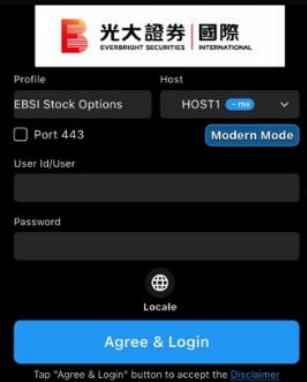

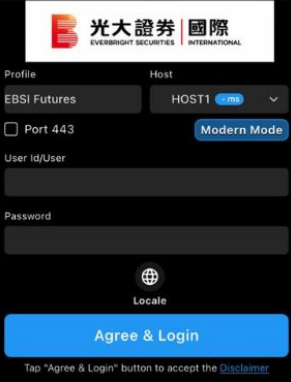

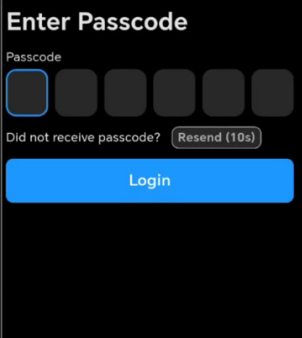

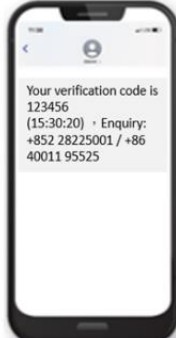

Thank you for choosing Everbright Securities International as your investment partner.

Please be informed that the mobile trading application “Sharp Point Trader Pro HD” has been upgraded to “Sharp Point Trader X”. Our mobile trading platform of stock options and futures & options will be migrated to the upgraded application effective April 27, 2026. Please install “Sharp Point Trader X” immediately to ensure seamless trading.

There will be a transition period from April 27, 2026 to May 26, 2026, during which our mobile trading platform of stock options and futures & options will be accessible on both applications. After this transition period, mobile trading of stock options and futures & options will only be available on “Sharp Point Trader X”.

Please note that re-registration via two-factor authentication is required for first-time use of mobile trading of stock options and futures & options on “Sharp Point Trader X”. If you maintain both stock options account and futures & options account, each must be re-registered separately.

Steps to install “Sharp Point Trader X”:

 <p>SPTraderX</p>	<ul style="list-style-type: none"> • Download “SPTraderX” from the official app stores (App Store or Google Play)
